Ceramic Net Discs

Thanks to the ceramic grains that it contains, Smirdex Net is ideal for tougher and more demanding applications, such as on hard wood and other solid surface materials. It also offers an excellent performance and lifespan on primer sanding. The 750 Ceramic Net delivers better productivity and profitability, since clogging is minimised, offering thus the efficiency of higher performance and better surface finishing.

Dust-free sanding

Thanks to its net fabric structure the 750 Ceramic Net Velour discs achieve maximum particle absorption, for a much cleaner and healthier working environment.
